Five-a-slide

On Tuesdays, my bloke Lenny goes out to play five-a-side while I sneak a look at his porno DVDs.

On the sofa, I slipped my vibrator into my cunt to wet it, then up my arse.

My orgasm was so powerful, I turned to jelly right afterwards, too weak to do anything but lie back, heavy-breathing, with the vibrator still stuck up my arse. And that's what Lenny saw when he came walking in – the football had been called off at the last minute.

"Just stay right where you are..." he said, and dropped his trousers as he began wanking his cock. He was

hard in less than a minute, helped by me licking my lips and fondling my pussy, letting him know where his cock could be soon.

After a kiss he had a little

my mouth. Gradually, though, he sped up, until, grunting out loud, he blew his wad all the way up my arse. He stayed inside me as I finished cumming again, then pulled out,

I always sneak a look at his porn

play with my pussy, teasing it then trailing his fingers down to my arsehole, to give the dildo a bit of a stir. He saw what I'd been watching and pumped me a bit harder, then pulled it out of me.

A bit more juice to lube my arse was all I needed – I was already warmed up and open for his cock. He pulled me forwards so my bum was on the edge of the couch, then I felt his stiffy glide up me, nice and easy.

He did me slowly, fingers on my clit, the other hand probing my pussy then feeding the sticky, flowing juices into

a stream of hot spunk gushing from my arsehole as he unplugged it.

Kelly, Luton.

Skinny drippers

My last night on holiday, and everyone clubbed together to buy booze for an all-night party.

Then we decided we were going skinny-dipping off the beach at dawn. I like my body, but I didn't feel like I could compete with some of the slender girls there. Then I had an idea – I shaved the lot of my pubes off!

Down on the beach, I bided my time. I think people just thought I was shy – one of the girls said, "Aww, c'mon, everyone's doing it."

I said, "OK, here goes..." just to be sure everyone was looking, then I pulled my bra off and slipped my knickers down, feeling a surge of juices as I saw everyone's face.

Among the others, there were mostly bushes trimmed

like mine had been, and a couple of full ones and a Brazilian – obviously DIY, I couldn't help thinking! But I was the only one with a brand

slipped in between them. As he started probing my hole I moved in for a kiss, started fucking my tongue in and out of his mouth to the same

in my life. My cute little cunt, all shaved and pale – just a bit darker on the folds from where I'd cum, and now it was splattered all over with pearls of spunk.

Then I saw the second-horniest thing ever. Huw started licking me, tasting himself, his tongue licking every inch of my twat. I knew he'd soon get hard again, and it happened almost immedi-

ately. This time, he lasted for ages, and I just spread wide, watching as he ploughed his shaft in and out of my cunt, so much darker and shinier than my delicate flesh.

He was just a fling, but I've kept on shaving my pussy every Friday for the weekend. It makes me feel so sexy and my pulling power's gone through the roof!

Tamsin, Manchester.

Having a bald pussy makes me feel so much sexier

new bald beaver!

Everyone jumped in the water and, as we splashed about, one of the guys, Huw, swam up and asked – still nervous even though he'd obviously had some Dutch courage – could he have a little feel of my pussy, as he'd never actually touched a "shaven haven" before.

"OK," I told him and his hand moved a bit shakily in between my thighs. At first, he did only touch the outer labia, testing my shaved bits. But then he started rubbing a bit harder, caressing them, and one of his fingers

rhythm.

We were well into it by the time someone noticed, but then their wolf-whistle drew everyone's attention.

I told him to lick me, and he poured a bottle of beer over my crotch to rinse off the salt water – of course, it fizzed right up.

Then he took ages over tonguing every smooth inch of my snatch, lapping up the juices but only going near my clit when I groaned in frustration and grabbed him by the hair, trying to move his mouth onto it.

He sucked on it, lashing it with his tongue till I orgasmed, but I really wanted to feel his cock up me.

The water'd been a bit chilly – need I say more? – but my hands soon got him hard and at full stretch. I think I played with him a bit too enthusiastically – I just kept rubbing him against my clit, till I tossed his load all over it.

No big deal – in fact I'd never seen anything so sexy

IRISH CREAM

Potato-faced Brendan Gleeson stars as a prostitute-loving unreconstructed borderline cretin serving in the Garda in the west coast of Ireland ("I'm Irish. Racism is part of me culture.") who might just be the cleverest chap in the whole film. Owing something to Jim Thompson's playing-dumb sheriffs, this comedy thriller is played for dark laughs all the way – a typically Irish mix of philosophy, pessimism and some highly gifted gab. Out now on DVD and Blu-Ray.

THE MUFF GUIDE!

George McCoy's marvellous medicine is the cure for any man's barren patch, prescribing, with his trademark quirkiness and thoroughness, the best of the working girls and parlours of London. I liked his review of Honey of Notting Hill: "Honey should not be your choice if you are looking for a potential Miss World, but if you value conversation... this lady knows how to deliver. Her views are somewhat radical, though she is no fan of Harriet Harman, but is no clock watcher. So do not worry that if you get lost in conversation your session time will run out." Dear Julia

How about some pics of hairy girls with a full cunny bush like a guardsman's helmet and armpits with something you can get your fingers into.

The girl in my office was pregnant and would sit so you could see her pubes sticking out of her knickers. She used to love you looking and I used to sit there with a great hard-on. A change from all those baldy fannies.

REAL WIFE SEX

Penny,
Newcastle

Never mind the hillocks... randy rambblers Penny and Pete attempt to climb the heights of ecstasy

My boyfriend is a keen hiker. There's nothing he likes better than getting up early at the weekend, packing a lunch and heading out for the day, away from the crowds.

Me? I'd rather spend my Saturdays curled up in bed with him, but as long as we get a balance, it works out fine.

This summer, what with the weather being so grotty, Pete didn't get out that much. At the start of June, though, there was a weekend where the clouds lifted and I could tell that he was itching to get out. I was too, as I was feeling cooped up, what with all the rain.

We got up early on the Saturday, packed some lunches and drove out through Northumberland to walk a section of Hadrian's wall.

It was glorious out, not too many people but the odd couple and loner en route, and we had a good morning, working up an appetite. It was quiet and still and very beautiful.

By lunch, I was starving, and we

walked away from the path and onto a nearby hill to eat, where we were sheltered from the wind by a small copse. The view was fantastic, and as we sat there in the shelter and stuffed our faces, I was really content.

We sat there for about half an hour, just taking it all in. Then I pushed myself up and sat astride Pete. "Give us a snog, then," I said, smiling. At that point I wasn't after

more than that, just a bit of quality kissing with my man, but it soon became a whole lot more!

Pete wrapped his arms around me and he kissed long and hard, barely coming up for air. It was like we were the only two people in the world. "Are you feeling naughty?" Pete asked with a grin.

"Why, what do you have in mind?" I replied, a little suspicious.

"Nothing much. I was just thinking, the two of us, out here, alone, nobody about... do you fancy a quickie?"

I laughed at first, but there was a look in Pete's eyes that said that if I went for it, we could be doing a lot more than walking for the next half hour.

"Oh, go on then," I said, half jokingly. So looking around again to make

It was pretty undignified but I didn't care

sure there was nobody in sight, Pete picked up the bags and chucked them behind a tree. Then he started to kiss me again, more forcefully this time. His hands undid my jacket and roamed freely underneath my shirt and bra, cold against my warm skin, making me gasp. They warmed up quickly, though, and

soon he had one palm down the front of my trousers, pressing against my clit and getting my juices flowing wildly.

I was sitting astride him side on, but I moved so that I was straddling him, our groins rubbing against each other. Even through our trousers, I could feel that he had a whopper of a hard-on going, and although it was weird to be doing it outside, I was really horny and, if I'm honest, kind of excited by the whole thing.

We kissed again, rubbing up against each other, and then I stood up and pulled Pete to his feet. We headed into the copse, hiding behind what I think was

I gasped as that sexy buzz of pleasure built up

an oak. There was quite a lot of brush around to hide us, but it was still pretty public. I leaned against the tree, bracing myself, and Pete reached round and pulled my trousers and pants round my knees. It was a little undignified, but by that point I didn't care!

I was expecting Pete to just fuck me, but then I felt his mouth on my flesh, covering my arse with kisses, his thumb pressing against my clit and rubbing it lightly. I gasped as the sexy buzz of pleasure began to build inside me. Then his hands moved, pulling my arse cheeks apart, and I felt his hot breath on my twat, his tongue inside my slot and against my clitty, making me wetter and wetter. Pete gives great head, taking it slow and sexy, and he excelled himself, pulling my arse cheeks apart roughly and slapping my naked arse as he slowly tongued my twat.

I pushed against the trunk of the tree,

Having fun in the son

My neighbour's son Sean is 19 and I'm 35. He lives with his mum but visits my neighbour, his dad, and when he turned up and his dad was out, I took him in, gave him a cof-

fee, and one thing led to another!

It started when he got up to go. He gave me a hug and I felt his hard-on dig into my belly. I just looked at him and we started snogging. He laid me down on my couch, spreading my legs and fingering my hole. Then he went down on me

He asked could he finish off doggie style, and so I knelt over the end of the chaise,

– he jabbed and twisted his tongue, drinking it all down. I was pressing back into his face, getting off on it, but I didn't want to wait any longer to take his prick.

When his cock was in me,

thrust into my cunt. Then he grabbed my feet, bending my legs in half again like I'd done to myself. So I was already cumming when, with one big groan, he spent his wad inside my twat.

I breathed hard as his fat helmet opened up my arse

I bent my legs double so my heels were now resting right up next to my arse cheeks, grabbing my ankles to stay in position. With so much of me at full stretch, a good pounding felt even more intense.

My boobs were bouncing all over the place, inviting Sean to grab them for a play. He squeezed them hard, so that my nipples popped out in between his fingers, and I felt all the signs that I was going to cum.

"My clit," I groaned – I needed just that little bit more. I thought he'd finger me but instead he angled his body

and mine, so his pubic bone and bush were rubbing up against my sensitive spot.

I tensed right up, then the release was so incredible, Sean's cock still deep inside me. I was trembling and I saw his knuckles white where he was holding me by the knees. He

It didn't end there, either. I asked had he ever fucked a woman up the arse. He said never but he'd always been turned on by the idea. So I got him to lie down on the carpet, then slathered lube all over my arsehole, telling him to take it slowly.

I never doubted he'd be hard enough for anal, as I slicked his cock with lube and teased it up against my slit. Then I moved it backwards and, slowly as I could, pushed myself down on it, aiming his tip so it would slip smoothly into my tight arse.

It was a bit of a squeeze, so I took my time, breathing hard as his fat helmet opened me up. But, once it slipped past my ring, the rest of his shaft soon slid into me as well.

I told him to let me fuck him, to just lie back. I'd reached back to stroke his balls when he started playing with my clit. His cock felt so big in my arse, so satisfying. Then, as his fingering warmed me up a bit, I started to speed up, to fuck him a bit harder.

He didn't stop until I'd cum three times, then I told him to fuck me hard as he could. His dick was pumping like a piledriver in my bum. Then I felt a delicious warm flood as unloaded inside my arsehole.

He hasn't told his dad I'm a slapper, but I like the idea of Escort readers knowing I am!

Time to say bi

Ella, a bi-girl I'm seeing, is a total nympho! I'm not happy when she wants to fuck boys as well as

leg and already had her hands up his T-shirt.

In the mood to cause a bit of trouble, I quietly got my strap-on out of the bedside cabinet. So, next time she looked over at me, I was lying on the bed, wanking a big rubber prick. No way was he going to be able to compete with the size of it, but he had nothing to be ashamed of!

"Get sucking," I told her, and she obeyed. She got stuck in like she was giving a real blowjob. I wasn't going to be able to cum in her mouth of course, but she made up for it by drooling all over the dildo.

Now Tim told her to get on her back, and she went back to sucking me as he got in between her thighs.

Ella was all geared up to take his cock, but he tormented her for longer, rubbing his cock head all over her mound and labia, without touching her clit or sticking it in.

able to fuck or even wank for a week. But obviously, taking it wasn't a problem for me as I watched Tim hit the vinegar strokes.

He pulled out and sprayed her with cum, but he'd obviously shot a few bolts inside her, as when I moved in to take his place, my thrusting dildo forced more cream out of her cunt.

I just kept fucking her until she couldn't cum any more and I pulled out, dildo coated with frothed-up jizz and girl-cum. Even then she insisted on sucking it.

Before any time at all, Tim was hard again – and he begged to be allowed to fuck me. No offence meant to Ella, but he'd wanted to shag me ever since

he'd first seen me.

I got so much into sucking him that the only thing to make me stop was the thought of how he'd feel inside me.

me, but sometimes it works out pretty sweetly.

So when my neighbour Tim rang the doorbell, she begged me to let him in. I told her to go and do it – starkers.

I sort of envied him seeing her naked for the first time. Especially as her hair was all over the place and she had that just-fucked glow about her from me making her cum.

She grabbed him in a clinch, though he broke it to acknowledge me as she dragged him over to the bed. And she was all over him, so desperate for his cock she was grinding up against his

He wasn't able to resist her for long. "Ahh..." she breathed as he touched it to her opening, then he pushed in as deep as the thickest part of his helmet, before finally plunging in its entire length.

He fucked her like he was trying to nail her to the bed, but even then she was moaning for more. He said he didn't want to cum too quick but she said she didn't care. She knew I'd pick up where he left off.

REAL WIFE SEX

Penny's story continued from page 19

pressing my arse and pussy against his face, grinding up against him, getting my juices all over his face. I gasped as the pleasure started to grow inside me.

"Just fuck me," I managed to say. It was obvious that this wasn't going to be a long, sensual fuck, so I wanted to be screwed good and hard. Pete was more than willing to oblige. I heard him unzip himself as I kept watch, and then his thick, meaty cock slapped against my pussy, wetted with my juices, and slid inside.

I don't think he'd ever filled me as much as he did then. Whether it was just the fact we were outside, or that we were just in the right frame of mind, his cock seemed bigger. I gasped again as he eased his length inside me, and then I felt his hands on either side of my hips.

I looked out over the landscape, and I thought I saw a couple of figures in the distance, walking the way we had just

been. I figured we had maybe ten minutes before they were close to us and, although we could hide, I didn't want to be spotted. I told Pete that I wasn't into that whole 'getting caught' fantasy.

We stood there like two dogs, interlocked

"Well, I'd better fuck you faster, then," he said, and started to pump in and out, his cock plunging deep into my pussy, pulling out until the cock head was nudging my lips, and then right back in again. He was like a piston, banging into me, working up a head of steam. It felt amazing.

I pushed back, trying to get every inch of him inside me. I was close to coming, not even checking to see how close the other walkers were getting. By this point I didn't care, anyway. Pete fucked and fucked, reaching round to frig my clit as he banged away. Well, that did it. I popped like a steam engine, my pussy clenching around his thrusting cock. That seemed to set him off, and he came inside me, reaching out with an arm to prop himself against the tree.

We stood there like dogs, interlocked, for a moment. I looked up: the other walkers were get-

ting closer by the minute. Pete pulled out of me and zipped up. I dragged my trousers and pants up and tried not to look like I'd just been fucked good and proper. We waited until they were hidden by the brow of a hill and scooted round to the front of the copse, sitting with the

I felt his cum inching down the crack of my arse

remains of our lunch, as nice as pie.

By the time the hikers caught up to where we were, we'd both managed to get some semblance of normality back, although Pete said I looked a bit flushed. We exchanged a bit of small talk with

them, like you do when you're out on the hills, although I was a little distracted by the trails of Pete's cum I could feel inching down the crack of my pussy and arse.

We haven't had a chance to repeat the experience, but we are looking forward to doing it again. It's not the exhibitionist bit that's the thrill, more the idea of being in the open air, free. This year we need to go somewhere remote for and just go mental! 📸

SANDRA

"Tormenting guys really turns me on!" confesses Sandra, worryingly. But the Portsmouth prick tease doesn't mean gagging, whipping and painful procedures involving candle wax and wearing a silly costume. "I mean leading you on, getting you home and playing with my dildo to give you a little look at what you'll be getting, tying you up and rubbing my pussy in your face till you can't take any more and beg me to fuck you. I always do!"

Forbidden delights

My partner and I just ticked another fantasy off our list. He's straight but wanted to

share a cock-sucking with me. We met a guy through the internet who was up for anything. Imagining all the fun we would have, my pussy was dripping!

Back at our place, I leaned

over to my man and whispered, "Can I go play upstairs with him?" Laughing, he told me to knock myself out.

no way I was letting him cum so quickly!

I moved my wet pussy onto his face and let his tongue do

I gushed all over his upturned face

Running upstairs, we were so horny that our clothes were off in a flash, and by the time my man got upstairs I had my mouth around our playmate's cock. I just love the taste of a juicy cock, and I could taste pre-cum already, but there was

all the work, while his hands were playing with my nipples. It wasn't long before I was soaking his face with my cum. I licked it off his face and went to kiss my man.

I went down to his cock and sucked him greedily while our playmate tongued my arse. I

Flap share

As soon as I got my first job, I moved into a flatshare with two girls, Lydia and Nic, who are even bigger slags than I am! When there's no cock on the go we just take care of each other.

One day, Lydia had given herself a manicure – she'd taken ages over it and was drying her final coat of varnish. She was stood in the kitchen, fingers splayed out on the work surface, drinking wine out of a glass through a straw. I couldn't resist a wind-up and walked up behind her

to tickle her ribs. She told me to fuck off, but it was no use.

All her screaming brought Nic running, and she steamed right in. "Let's get her pants down!" she said.

Now I had her blouse up as well – she bent forward, flattening her tits against the work surface to stop me sucking them, so I kissed my way down her back instead. I tongued the little tattoo at the base of her spine, and Nic pulled her backwards. I slipped in, between Lydia and the kitchen units, and she stood up straight, splaying her legs and angling her

pussy forward so I could lick it.

She was totally at our mercy. Nic fondled her tits from behind for a while,

then dropped down to her knees, and we started giving our mate a double-licking.

I took Lydia's clit and pussy, while Nic rimmed her arsehole, then we got going with our fingers. I just stuck three straight up her snatch, then Nic wet two of hers and slid

around inside her bum.

Lydia was moaning like a right little bitch on heat now – her hands were raised up and, while she wasn't full-on groping herself, she was stroking her nipples and getting herself even hotter.

Now Nic stood up, nuz-

The two of us gulped down her juices

them up her arsehole.

It was so weird – as I pumped my fingers against the back wall of Lydia's cunt, I could feel Nic's moving

zling her neck, fingers still probing her arsehole. I felt Lydia's body start to tremble, to tighten, and soon her cum-cream was gushing out over

was now begging for a cock so my man flipped me round and shoved his big fat cock straight in; our playmate put his in my mouth and I was spitroasted to high heaven.

I couldn't stop cumming, and then our playmate got underneath me and licked my clit. His tongue kept flicking on to my man's cock as he fucked me, licking my cum off his cock. Well, that tipped me over the edge and I once again gushed all over his upturned face.

I told my man to come and share our playmate's cock with me – he did as he was told and together we licked

and sucked his cock until he was hard again. My man then slipped a condom onto our playmate's cock and watched me get banged around the bed like a slut before our playmate then whipped the condom off and shot his hot cum all over my tits.

My man licked my nipples and kissed me so I could get a taste of the cum. Soon he had his nine inches pounding and pumping his cream into my body.

Our playmate then asked if he could clean up my pussy, tonguing and sharing the last drops with me.

my fingers as she spasmed in the grip of an incredible orgasm.

We moved things into the living room. Now Nic was lying on the floor so I could eat her out. Lydia sat on her face, her arse facing towards me, and I kept glancing up so that I could watch her spread her cheeks, giving me a nice flash of pussy when she pulled them really wide and dipped forward.

Nic orgasmed and grabbed Lydia's thighs, pull-

ing her cunt down hard on her mouth. The two of us were gulping down juices, until Lydia came too.

At last it was my turn – Nic slid underneath me in a sixty-nine, while Lydia took my arse – literally. With their fingers jammed in both my holes and the sight and scent of Nic's turned-on cunt inches away from me, my orgasm pretty much exploded through me, once they started on my clit!

Cocksucker queen

Louise is such a good mate to me. Recently she met this bloke, Shane, and reckoned he was my type. He fancied her, so she fixed up a date but took me along, too...

She's queen of the cock-suckers, so she got the first taste, licking his helmet like it was ice cream, then suck-

ing full advantage of the situation. So he got us kneel side by side, in order to switch between our cunts. First he stroked into me, then pulled out to fuck Lou. Neither of us got a pussyful of spunk. Instead, he pulled out of Lou's cunt – with a loud slurp – and emptied his balls all over us.

Lou sucked him rigid again, but it was me he laid back on the bed and started fucking, missionary style. It was slower this time, and Lou squatted

I fingered her while he lapped at her slit

ing it into her mouth. But she left his balls swinging loose, and so I cupped and mouthed them myself.

My arse was within reach and so he grabbed it, then his fingers crept up my pussy. I couldn't ignore them for long, so I got him to lie back – with Lou still sucking on him – and lowered my pussy down onto his face.

Nice as a good eyeful of my undercarriage might be, it meant he wasn't exactly tak-

over my face – that way, she could get her pussy licked by me or Shane.

At one point I had a couple of fingers in her arse while he lapped away at her slit. Her moans got him turned on and he gave it to me hard. He was the first to cum, creaming so much I felt it overflow from my cunt, and Lou wasn't far behind. He kept inside me as long as he was hard, and fingered my clit to an orgasm.
